The Peak Tram, one of the world’s oldest and most famous funicular railways, rises to 396m above sea level. It’s so steep that the buildings you pass look like they are leaning as you travel on a gradient of between 4 to 27 degrees!

Riding the Peak Tram is the quickest and most scenic way to arrive at The Peak. The Peak Tram Lower Terminus is easily reachable by foot from the MTR in Central or by public transportation.

Operating Hours:
The Peak Tram
7 am to 12 midnight (Daily)
10 am to 11 pm (Mon - Fri)
8 am to 11 pm (Sat. Sun & Public Holidays)

Peak Tram Sky Pass offers you enjoyment of a trip on the famous Peak Tram and the fabulous panoramic views of Hong Kong from Sky Terrace 428, the highest 360° viewing terrace in Hong Kong. With the Peak Tram Sky Pass, you can enjoy more Peak experiences at a special price available at Garden Road Peak Tram Lower Terminus.

Enjoy Your Ultimate Hong Kong Experience!

Famous Landmarks you may discover along the route

A. Bank of China Tower
Designed by the world renowned Chinese American architect, Leoh Ming Pei, the building’s bamboo-like design symbolizes vitality and growth.

B. Cheung Kong Center
Owned by one of Hong Kong’s largest conglomerate Hutchison Whampoa, its external walls are illuminated by a state-of-the-art computer-controlled external lighting system.

C. St. John’s Cathedral
Built in 1849, it is known as the oldest surviving Western ecclesiastical building in Hong Kong, and declared as a monument in 1996.

D. St. John’s Building
The area housed the first wooden Peak Tram station from 1889 till 1935. It was then replaced by St John’s Apartments and in 1964, a 14-storey commercial and residential building was constructed. The present 22-storey was built in 1983 and was awarded Certificate of Merit of the HK Institute of Architects.

Suggested Route
Estimated walking time: 10 minutes from MTR Central Station.

1. In MTR Central station, make your way to J2 Exit.
